**ENJOY BARCELONA!**

Barcelona is one of the most important tourist destinations in Europe, with millions of people visiting every year. The city is famous for its 19th century modernist architecture. The best known of those buildings was designed by Antonio Gaudi. It is the unfinished church Sagrada Familia, which is the symbol of Barcelona but Barcelona is very well known for the Olympic games in 1992 and for its tapas food as well.

**DISCOVER CASTELLDEFELS AND BAIX LLOBREGAT AREA!**

Boasting an enviable geographic location, the Baix Llobregat is little more than 15 minutes away from the centre of Barcelona and its international airpport. Sea, river and mountain give shape to this region. With more than 15 km of wide beaches, it also has the majestic Montserrat mountain. The modernista style, a symbol of the region, is well represented by the church built in Colònia Güell by Antoni Gaudí. Multiple options, surprising contrasts and continuous discoveries - you simply must visit Baix Llobregat.

Castelldfles is one of their most important towns, located about 20 km (12 mi) southwest of Barcelona and its international airport. This small town is famous for its long beach (more than 5 km) and for being the place of residence of many famous sportsmen (Messi, for instance). The ancient castle of Fels, which gave this town its name, dominates the coastline of the city.

**CANAL OLÍMPIC, THE BEST VENUE!**

The Canal Olimpic de Catalunya (in Castell-defels) was built for the 1992 Olympic Games and is one of the best sport venues in Europe for Kayak and other water sports.
